Education

○ **University of Milano-Bicocca**   **Milan**
Master's degree in Theoretical Physics,   *2017–now*

  - *Final degree grade*: in fieri (expected $110/110$ cum laude)
  - *Average class grade*: $29.9/30$ with $4/10$ distinctions (cum laude)
  - *Thesis advisor*: Alberto Zaffaroni, Alessandro Tomasiello
  - *Thesis title*: 'The holographic principle and AdS/CFT correspondence in AdS_5'

○ **University of Milano-Bicocca**   **Milan**
Bachelor's degree in Physics,   *2013–2017*

  - *Final degree grade*: $110/110$ cum laude
  - *Average class grade*: $29.05/30$ with $7/20$ distinctions (cum laude)
  - *Thesis advisor*: Monica Colpi
  - *Thesis title*: 'Supermassive Binary Black Holes and their Dynamics in Galactic Nuclei'

○ **Liceo scientifico Lorenzo Mascheroni**   **Bergamo**
Scientific high school degree,   *2008–2013*

  - *Final degree grade*: $110/110$ cum laude
  - *Average class grade*: $10/10$

Skills

Programming languages: C/C++, Matlab, ROOT, Python
Other scientific tools: LaTex
Languages: Italian (native), Ukrainian (native), English (advanced), Latin(advanced)
